

NOTHING LIKE AN EX-WIFE

Well, she is maybe not as pretty
And witty as your latest one
Perhaps she's too demanding
Thinks your wallet weighs a ton
Yes, it could be she is harder
To talk to than she used to be
But there is nothing like an ex-wife
When it comes to irony
 (There's) nothing like an ex-wife
 Nothing like an ex-wife
 Nothing like an ex-wife
 when it comes to irony

The postman makes you anxious
Whatever he delivers here
Her lawyer is a terrier
Just pretend that you don't care
And it could be she is more boring
Than the mistresses you went to see
But there is nothing like an ex-wife
When it comes to irony
 (There's) nothing like an ex-wife

You where happy when she vanished
Felt no need for second thoughts
Invested in a young one
That got cozier the more you bought
But I think your doll will leave you
When your ex is cashing in her fee
'cause there is nothing like an ex-wife
When it comes to irony
 (There's) nothing like an ex-wife
